It is our pledge to render careful, thorough professional cleaning service: using reasonable care to obtain satisfactory results. In most instances 100% stain removal is achieved. Because of the nature of certain stains it is not possible to guarantee total color/texture restoration. Factors of installation and/or deterioration that are disguised cannot be predicted in the hands of the most careful workman.

CAUTION: Until carpets are completely dry, you must exercise extreme care when stepping onto hard surface floors so that you do not slip and fall.

I hereby acknowledge the satisfactory completion of all services rendered, and agree to pay the cost of services as specified above.
